Related Categories: Impeachment

A new [collection](#) on the LRL website provides access to reports, transcripts, minutes, and other documents related to the impeachment of Judge O.P. Carrillo in 1976. Included are a brief summary of the impeachment process; links to the minutes of the House Select Committee on Impeachment and 16 volumes of transcripts; the House Journal proceedings and transcripts; the Senate proceedings; and the 29 volumes of material from the Judicial Qualifications Commission Inquiry. The library would like to thank the [Texas State Law Library](#) and the [Harlingen Public Library](#) for their participation in this project.

For additional resources on the impeachment process, please see our [previous blog post](#).
